

Mix and Mingle **Bingo**

A connection can spark new friendships. Here's a fresh twist on a classic game, created to inspire some lively team bonding and help us discover more about each other.

How to Play

PREPARE: Print out our Mix and Mingle Bingo cards and the list of numbers.

DISTRIBUTE: Hand out one Mix and Mingle Bingo card to each staff member.

MIX AND MINGLE: Staff members can now talk to each other and ask questions to find someone who matches a number on their bingo card. Once they have marked off one tile on their bingo card talking to person, they should move on to find someone else.

BINGO! The objective is to be the first to get one of these patterns on a card and shout Bingo!

Each time you mark a tile, find a different team member to talk to
